MA in Conference Interpreting for Business

(60 ECTS)

English-Spanish / Chinese-Spanish

1st edition

ACADEMIC YEAR 2019-2020

OBJECTIVES:

To train the following capabilities, helping students become specialists in conference interpreting for business:

- Proficiency in interpreting techniques: bilateral, consecutive, simultaneous, *chuchotage*
- Proficiency in professional communication in interpreting booths
- Increasing socio-cultural awareness, and knowledge of current events and business-related contexts
- Stress tolerance. Working under pressure.
- Theoretical knowledge of professional aspects and the code of ethics of conference interpreting

AN OVERVIEW OF THE CONTENT:

The Master's Degree has a teaching team combining professional interpreters and specialized professors from the University of Alcalá. The classes are organized as follows:

- Practical classes in interpreting booths and / or laboratories with specific software
- Onsite and online theoretical-practical classes
- Internships in companies and public/private institutions
- Completion of a Master's Degree Project on a topic related to the learning outcomes. Includes the assignment of a personal tutor

AIMED AT:

- People possessing a university degree preferably a university degree in Translation and Interpreting, Modern Languages (or related degrees), with extensive knowledge of English-Spanish or Chinese – Spanish, and with knowledge of a third language (Chinese, French or Russian for the English language combination and English, French or Russian for the Chinese language combination).
- People possessing a university degree who have experience as linguistic and cultural mediators at either an oral or a written level, but who have no formal training.
- People possessing a university degree who have experience as translators or interpreters and who want to specialize in conference interpreting for business.

SYLLABUS: 60 ECTS

1 academic year, 60 ECTS European credits consisting of 14 compulsory ECTS common to all language pairs, 26 compulsory ECTS for each language pair (English-Spanish or Chinese-Spanish), 8 ECTS of elective subjects, 6 ECTS of internships and 6 ECTS of Master's Degree Project.

COURSE REQUIREMENTS:

Admission exams are required for enrolment as well as possessing a C1 level certification in both languages.
